MEET AND GREET

Ever wanted to come face-to-face with a dinosaur? Ever wanted to train a baby dinosaur like a dinosaur ranger? Well, here is your chance! A meet and greet is a great way of adding a bit of **BITE** to your celebration or event. Ranger Lowe and her dinos are more than happy to be your special guests at your event, wowing your guests! Or, if you'd prefer, the dinos can pay a visit to your home or garden (if you don't mind muddy claws) for a more personal, hands-on experience.
